Tender/Quotation Notice

Extension of existing website with customized solutions

The institution invites sealed quotations from interested web developers (with proven record) for development of existing website. The development would be incorporated on our existing website and following are the requirements.

1. Development of a common platform for delivering notice to different sections of college staff e-mails (at present e-mail facility already available with staffs). The facility should include categorization / grouping for distribution of relevant notices to target groups created by admin.
2. The development needs to have a section for management of professors and students.
 - <a> Professors profile and e-content Management.
 - i) Dedicated platform for faculty addition/registration (with requisite admin for verification) according to subject groups.
 - ii) Profile creation upon a common template for all faculty members; bearing sections for management of their profile, viz, Research, Teaching, Publications etc,
 - iii) Updation of the respective faculty members profile,
 - iv) Faculty profile should have a platform for addition of study materials,
 - v) Dashboard of faculty member after "login" should bear relevant information communicated by Admin.
 - vi) Faculty registration is to mapped course wise.
 - Students registration and management
 - i) Dedicated platform for students registration with admin control conforming and verifying according to subject groups,
 - ii) Student's dashboard to have relevant information communicated by Admin,
 - iii) The dashboard to have a link/section towards evaluation for the Hons. And Pass subject groups referred by the student during registration,
 - iv) The evaluation from ~~for~~ Hons/ Pass subject groups with respective teachers would be visible for a defined time period,
 - v) The student's management is to be mapped course and section wise.
3. The Admin control panel should be unified towards regulation of all.
4. The e-content developed by faculties from time to time would be available on a dedicated e-Tutorial platform of the institution mapped course and faculty wise.

Last date of submission: 23.08.2016

The applicant need to have work experience of similar nature for above mentioned work.

The development needs to be completed with 40 days from the date of issue of work order.
